

12 Volt Grease Gun

Alemite continues to raise the standard in the lubrication products industry with its 12 Volt Grease Gun. The 12v Grease Gun delivers more power, longer run times, and increased quality and durability. The high-torque 12v motor enables the gun to reach 6,500 psi, allowing the lubrication of badly clogged fittings, and its high efficiency 12v battery provides optimum run time.

Features and Benefits

Design

- One fully charged battery can deliver up to 6 cartridges of grease
- 12 volt motor equipped with a thermal protector and optimized air flow to maximize motor life
- 3-foot ultra-flexible hose can handle 6,500 psi and makes lubricating even the most hard-to-reach spots effortless
- Heavy duty case with one-hour fast charger, high capacity 12 volt NiCd battery, and grease cartridge holders
- Ergonomic design with convenient attachment for carrying strap to make lubrication easier
- Chrome-plated barrel offers unmatched durability

Loading

- Convenient 3-way loading: cartridge, bulk, or suction loaded
- Patented automatic universal follower eliminates need to flip when changing loading method
- Air bleeder valve simplifies air removal during priming

Flow

- High-flow check valve optimizes flow characteristics
- Flow rate of 5.25 ounces per minute at 1,000 psi

Warranty

- One-year Alemite warranty

The Alemite 12v Grease Gun

1. High-torque 12v motor
2. High-capacity 12v NiCd battery (1,500 mAh)
3. Chrome-plated barrel with patented Automatic Universal Follower
4. 3-foot ultra-flexible hose (6,500 psi working pressure) with industrial grease coupler
5. Air bleeder valve
6. Convenient grease cartridge holder (grease not included)
7. Hydraulic coupler
8. One-hour fast charger
9. Heavy duty carrying case
10. Coupler holder
11. Convenient attachment for carrying strap (strap optional – part no. 339812)
12. Optimized air flow and thermal protector to maximize motor cooling
13. Textured non-slip grip

Models:

- 575-A (one battery) – U.S.
- 575-B (two batteries) – U.S.
- 575-C (one battery) – Europe
- 575-D (two batteries) – Europe
- 575-E (one battery) – U.K.
- 575-F (two batteries) – U.K.
