

The Names You Rely On

Our Products

Fluid Connector

Parker Hannifin
BrakeQuip
Earl's Performance
Hydraulic Steel/SS Tubing

Industrial Hose

Parker Hannifin
Campbell
Dixon
Flexaust
Hi-Tech Duravent
Novaflex
Oetiker
Peraflex Hose
PT Coupling
Pureflex

Filtration

Parker Filtration
Parker Finite

Hydraulic Tools

Enerpac Industrial Tools

Pneumatic

Parker Pneumatic
Enfield Technologies
Interface Devices, Inc.
Schrader Bellows

Industrial Hydraulic

Parker Hannifin
Behringer
Daman
Delta Computer Systems
Emmegi
Enerpac Workholding
Hedland
Hydro-Craft
Interface Devices, Inc.
Magnaloy
Vescor
Weg

Mobile Hydraulics

Parker Hannifin

Seals

Parker Engineered Seals
Parker O-Rings

Framing Systems

Parker IPS
Erectastep

Lubrication

Alemite
Bijur
Farval
Graco Trabon

Instrumentation, Controls & Accessories

Parker Skinner/Gold Ring
Gems
Idem Safety Switches
Noshok
Triac Controls

Automation & Electromechanical

Parker Hannifin
Applied Motion Products
AUBO Robotics
Axatrac
Bishop Wisecarver
Delta Computer Systems
Diequa Corporation
Encoder Products Company
Hiwin
Iigus
Lovato Electric
Mirai InterTech
Murr Elektronik
Pinnacle Systems, Inc.
Precision Technology
Renco Controls
Ringfeder Gerwah
Rohtek Automation
Schmalz
Sensopart
Swivellink
Wieland

The Service You Trust

Triad Technologies offers a full suite of parts, services and solutions to provide you with your best defense against downtime.

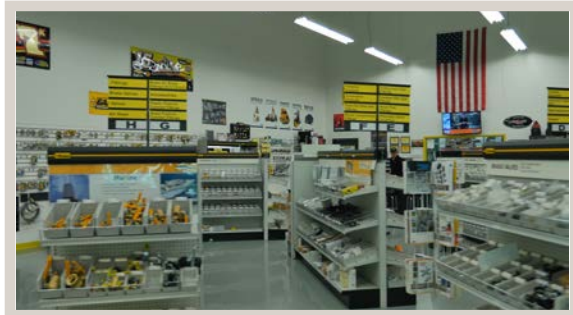

Triad Mobile Services

- On-site hose/tube fabrication and installation
- Machine guarding
- Vendor managed inventory programs
- Preventive maintenance programs

ParkerStores

- Custom-made hose assemblies
- Full assortment of imperial/metric fittings
- Industrial hose solutions

Engineered Systems

- Hydraulic and electrohydraulic
- Pneumatic and electromechanical
- Filtration
- Lubrication
- Machine guarding and safety enclosures
- Safety devices and controllers
- Solidworks modeling and 2D schematics

Service & Repair

- All manufacturers and types of fluid power components
- Factory-trained technicians

Kitting & Sub-Assembly

- Parts kitting
- Hose & fitting kits
- Motion control kits
- Custom packaging
- Component sub-assembly

Your best defense against downtime.
