

Our industrial hose products meet the many demands of the industrial marketplace, including resistance requirements for heat, ozone, weather, chemical, oil, flame, and abrasion.

CONTRACTORS HOSE & ACCESSORIES

- Crimped jack hammer hose
- Crimped water hose
- Water suction hose
- Bull hose
- Lay flat hose
- Air hose
- Worm gear clamps
- Self locking camlocks
- Import camlocks
- Brass hose barbs
- Pin lug fittings
- Air hammer couplings

PETROLEUM HOSE & ACCESSORIES

- Drop hose assemblies
- Transfer hose assemblies
- Vapor recovery hose
- Hot tar & asphalt hose
- Bio-diesel transfer hose
- Import camlocks
- Self locking camlocks
- Dry break couplings, kamvalocks
- Gaskets

MATERIAL HANDLING HOSE & ACCESSORIES

- Vacuum hose
- Hot air blower hose
- Transfer hose
- Self locking camlocks
- Import camlocks
- Victaulic fittings

CHEMICAL HOSE & ACCESSORIES

- Certified hose assemblies
- Crimped steam hose assemblies
- Jacketed hose assemblies
- Chlorine hose assemblies
- Stainless steel metal hose assemblies
- Teflon hose assemblies
- Self locking camlocks
- Dry break couplings, kamvalocks
- Gaskets
- Ball valves
- Teflon sight gauges
- Ducting
- Flow monitors
- Import camlocks

SANITARY HOSE & ACCESSORIES

- 3A certified hose assemblies
- Teflon hose assemblies
- Clear tubing
- Crush resistant hose
- Silicone hose
- Washdown hose assemblies
- Sanitary adapters
- Valves
- Rubber suction & discharge assemblies
- Washdown nozzles
- Wine & brewers hose
- Washdown station

MISC. HOSE & ACCESSORIES

- Push lock hose
- Pressure washer hose
- Tubing
- Push lock fittings
- Push-to-connect fittings
- Brass fittings
- Clamps
- Quick disconnects
- O-rings
